meet consumer needs

ofi
make it real

Looking to boost your dairy beverages?

Amplify the natural goodness of milk

ofi's range of filled milk powder solutions are designed to deliver a richer mouthfeel and enhanced creaminess and milkiness across various dairy-based beverage applications. Transform the way consumers experience a wide range of products, from drinking milk, coffee and tea, to cocoa drinks, drinking yogurt, milkshakes and even UHT-based beverages.

Drinking milk

Hot beverages

Dairy-based drinks

Fermented beverages

Cold beverages

Our products' benefits
